Lesson 9

In Russian, adverbs answer the question "How?" **Как?** They are formed from adjectives and always end with an **-о**. To form an adverd, replace the ending of the adjective (its last two letters) with the **-о** ending.

Adjective	**Adverb**
хоро́ший	хорошо́
плохо́й	пло́хо
краси́вый	краси́во
дорого́й	до́рого

Remember

Use adverbs only together with related verbs. Adverbs are inflexible. Adjective are used together with nouns and agree with nouns in genber and number.

Noun + Какой?		**Verb + Как?**	
обед		работать	
день		писать	
час	хороший	читать	хорошо
друг		говорить	
человек		слушать
